### **What is a good teacher?**

For a teacher to have a good \_\_\_\_\_ among their students, they need to have \_\_\_\_\_ in their subject area. A science teacher should know a lot about science, a language teacher must speak the language proficiently, and so on.

However, this is not the only important characteristic of good teachers. A good teacher also needs to be unbiased and \_\_\_\_\_ when students argue. They should be balanced and fair to all their students.

Furthermore, a good teacher must be \_\_\_\_\_ the progress and problems their students have. They must watch their student's learning carefully.

A teacher has a \_\_\_\_\_ in their student's success. If a student succeeds, the teacher also succeeds. Therefore, a good teacher is one who works with their students to succeed together.
