Transcript for listening

Good evening. Today has been a lovely day, with clear, sunny spells and temperatures hitting 24° in the south. Tonight will be clear with lows of around 12°. Tomorrow will start off dry but becoming very cloudy and overcast later, with highs of 19°. All change though tomorrow night, as a cold front arrives with increasing wind speeds and an average temperature of 8°. Outlook for the week is unsettled, with the current forecast suggesting gale force winds of up to 40mph, and gusts of up to 50 (mph). Also, there'll be heavy rain, and possibly even a dusting of snow over higher ground. As always, we will bring you hourly updates on this channel, and you can also stay up to date with the latest weather developments throughout the week on our website.
