

**HL B1 Introducing Japan: Post-Study**

**Activity 1**

Read the following description about Kobe and fill in the blanks below:

*Kobe is a large city in Hyogo prefecture on Honshu Island in Japan. It is located west of Osaka, above Osaka Bay. It has a larger population than Kyoto but the population is not as large as Osaka's.*

*In Kobe you can visit Kobe Port Tower. This tower was opened in 1963. This was the same year that Empress Masako was born. It is 108 meters tall.*

*Kobe is famous for Kobe beef. If you visit Kobe, I strongly recommend that you try Kobe beef. This beef can be very expensive and there are many special Kobe beef restaurants which you can visit but it is not necessary to visit one of these restaurants because Kobe beef can be eaten in many less expensive restaurants too.*

1. Kobe is located ..... Osaka and ..... Osaka Bay.
2. The population is larger than Kyoto's, but ..... than Osaka's.
3. Kobe Port Tower is as ..... as Empress Masako.
