Practice speech

Introduction:

Hello everyone. My name is _____, and I will be talking about places to go in Okinawa. Now, you may ask 'why Okinawa?' Well, I visited Okinawa in July and had a great time. I want to share this experience with you, so first I will tell you about the beaches, then I will talk about the food. Finally, I will tell you about the aquarium.

Conclusion:

So in conclusion, Okinawa is a wonderful place for a vacation. The beaches are beautiful, the food is delicious, and the aquarium is fantastic. If these sound good to you, I recommend going there. I would love to go again! Thank you for listening.
