## Trailer

- Becca: Hello everyone, welcome to Hubbub, the podcast for British Hills. I'm Becca.
- Emma: And I'm Emma.
- Becca: We're teachers here at British Hills and this podcast is to let you know all about what's happening at BH, and to give you some interesting facts about British and Commonwealth culture, to let you know about some of the things that our teachers get up to when they're not in class.
- Emma: Oh interesting!
- Becca: Yup! We're also here to prove to you that English is fun.
- Emma: So, if you like English and want to practice listening to native English speakers or if you're interested in other cultures then this is the podcast for you.
- Becca: But, if you don't like English, maybe you think English is difficult or maybe your English lessons just aren't fun then don't worry, because this podcast is also for you.
- Emma: This is not an English lesson, is it Becca?
- Becca: No, absolutely not. We're teachers but we like to have fun too.
- Emma: This podcast is a fun way to practice your English. So, we might have some quizzes or puzzles for you to try or we can try to answer any questions you might have about English, British Hills or even the British Hills teachers.
- Becca: Oh noooo... uhh so this podcast is for you! So if you have any questions or if there is something you have always wanted to know, for example: Hey Emma, is it true that all British guys wear bowler hats?
- Emma: Oh good question.
